Information for the Applicant

Please read the following requirements. This list is not meant to be all-inclusive; we have tried to compile requirements that relate to your specific type of development. These requirements are not conditions of the land use decision. They are Albany Municipal Code (AMC) or Albany Development Code (ADC) regulations or administrative policies of the Planning, Engineering, Fire, or Building Departments that you must meet as part of the development process. You must comply with state, federal, and local law. The issuance of this permit by the City of Albany does not eliminate the need for compliance with other federal, state, or local regulations. It is the applicant's responsibility to contact other federal, state, or local agencies or departments to assure compliance with all applicable regulations.

ENGINEERING

The City of Albany's infrastructure records, drawings, and other documents have been gathered over many decades, using differing standards for quality control, documentation, and verification. All information provided represents the current information we have in a readily available format. While the information we provide is generally believed to be accurate, occasionally this information proves to be incorrect, and thus we do not warrant its accuracy. Prior to making any property purchases or other investments based, in full or in part, upon the information provided, we specifically advise that you independently field verify the information contained within our records.
