YOUR COMMENTS

We invite your comments, either in writing prior to the day of the public hearing or in person at the hearing. Your comments will be considered when the Planning Commission and City Council make a decision on this application. All testimony and evidence must be directed toward the approval standards for this application listed in this notice. Failure to raise an issue by letter, or in person, before the close of the record or the final evidentiary hearing, or failure to provide statements or evidence with sufficient detail to allow the Planning Commission and City Council an adequate opportunity to respond to each issue raised, precludes an appeal based on that issue.

Persons wanting to provide testimony for either the Planning Commission or City Council public hearings may choose one of the following options:

1. Email written comments to david.martineau@cityofalbany.net **before noon the day of the applicable meeting** and include your name and subject of the public hearing, or mail comments to Albany Planning Division; PO Box 490, Albany, OR 97321; or
2. To testify virtually during the public hearing, register **before noon on the day of the applicable meeting** by emailing cdaa@cityofalbany.net, with your name, address, phone number, and if you are speaking for, against, or neutral on the proposal. The chair/mayor will call upon those who registered.
3. Appear in person at the meeting and register to speak using the sign-up sheet.

Written comments will be included with respective meeting agenda packets if received by David Martineau at david.martineau@cityofalbany.net on or before the following dates:

- 1) **July 7, 2022, for the July 18, 2022, Planning Commission meeting date, and**
- 2) **July 25, 2022, for the August 10, 2022, City Council meeting date.**

Any person who submits written comments or testifies at a public hearing will receive a copy of the notice of decision.

This meeting is accessible to the public via video connection. The location for in-person attendance is accessible to people with disabilities. If you have a disability that requires accommodation, please notify City staff at least 48 hours in advance of the meeting at 541-917-7550, or email cdaa@cityofalbany.net.

PUBLIC HEARING PROCEDURE

The public hearings will occur on Monday, July 18, 2022, at 5:15 p.m. and Wednesday, August 10, 2022, at 6:00 p.m. The respective hearing body will open the public hearing. The public hearing will begin with a declaration of any *ex parte* contacts (contacts that occurred outside of the public hearing) or any conflict of interest by the decision-makers. This will be followed by the staff report from the planning staff. Then, the applicant will testify. Following this, written comments received from the public will then be entered into the record. This will be followed by calling upon those who registered to speak in support of the application. After those in favor of the application are finished, testimony from those who registered to speak in opposition will begin. This will be followed by testimony from people who neither favor nor oppose the application. Following this, a calling upon anyone else who wishes to testify either in support, in opposition, or neutral will be made. The applicant will then be able to respond to the public comments. The decision-makers are free to ask questions of any person who has testified, or of staff, at any point during the hearing. Once all comments are

recorded as part of the meeting and the applicant responds, the hearing body will close the public hearing and deliberate on the application.

If additional documents or evidence are provided by any party, the City may allow a continuance, or leave the record open, to allow the parties a reasonable opportunity to respond. Any continuance or extension of the record requested by an applicant shall result in a corresponding extension of the 120-day time limitations of ORS 227.178.

If the hearing is continued or the record is left open, the chairperson will announce the date, time, and place for the resumption of the hearing and/or what limitations exist on further testimony or submittal of written materials. If the hearing and record are closed, the decision-makers will begin deliberations and/or will announce the time, date, and place when the decision will be made.
